Assalaam Alaikum Al Madina Families,

We hope you all are safely enjoying your summer and had a wonderful Eid. As we prepare for the new school year, we are having to take many things into consideration this school year due to the Pandemic. We wanted to let you know that the survey the parents took resulted in an overwhelming response to open the school for on campus learning Monday- Thursday and to have Friday as a virtual learning day. The Board has also voted in favor of this option. 100% virtual enrollment is still available for those parents who are not comfortable with on campus learning.

Al Madina staff is working diligently to make sure the new school year will start off strong and that we can keep a safe learning environment for all. The staff, administration and Board are working on standards and closely monitoring the current situation. We will be sharing more details in the upcoming weeks on.

May Allah (SWT) guide us through these uncertain times, Ameen.

Jazakallah Khair,

Amir Saeed (Al Madina Board Chair)
